Assembly Alert: 146

Date: December 4, 2000

Subject: 1" Push Pull Tube (KPCS0146)

Compliance: Voluntary

Models Effected: S-17 Stinger

The 1" elevator push pull tube (KPCS0146) provided in the Kit, may prove to be too long to obtain adequate travel range. Figure one shows lengths of the KPCS0146. Please adjust if required.

Contact our parts department to order any needed parts.

Thank you for your attention to this matter. Hopefully we have not inconvenienced you to any great degree. Fly safe!
